

2. ADRENALINIC ISTRIA

We welcome young & active guests who understand the importance of healthy style life and prefer to spend their holiday in an active way filled with various sport events and entertainments.

Day after day, from early spring to late winter we advise our sports guests exciting routs for hiking and cycling. We help to organize tennis & golf courts rent & advise the best tennis & dancing coaches in Istria. We can also arrange visits to entertainment parks, mountain and forest hikes. Istrian nature is beautiful and rich in colors in each season & our guests will always get great impressions no matter which season they choose. Besides, after an active day it is always a pleasure to return into a comfortable room, enjoy a calm evening in front of the fireplace and taste some masterpiece from our Chef in our restaurant Bodulka. And to reserve the brightest and the most exciting moments of your trip our photographer will offer a private or a group photo session.
